The Chairman ensured that all participants were able to see and hear each other and that no person other than the participants was allowed to access the place of the meeting from its commencement until its conclusion.

ITEM NO. 3

TO ASCERTAIN THE QUORUM OF THE MEETING

The Chairman ascertained that as per Regulation 22(1) of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016, the quorum for the meeting was present and declared that the meeting was in order.

In response, the Resolution Professional confirmed that the agenda had been shared with the Greater Noida Authority, the Income Tax Department, and the Employees' Provident Fund Organisation (EPFO).

Preliminary Discussion Regarding Status Quo and Conduct of the Meeting

At the outset, Mr. Rajiv Bajaj raised concerns regarding the conduct of the meeting in view of the proceedings before the Hon'ble NCLAT and the directions stated to have been pronounced on 24 August 2026.

The Chair clarified that, as understood by him, the Hon'ble NCLAT had directed maintenance of status quo in relation to the EOI process and that no further consequential steps were being undertaken pursuant to the Form G process, including finalization/publication of the list of Prospective Resolution Applicants or other steps advancing the process.

The Chair further clarified that the present meeting was intended, inter alia, to:

- take note of the developments and court proceedings;

- apprise the stakeholders of the present status;
- discuss the implications of the orders/proceedings;
- record the views of the CoC/representatives; and
- consider matters requiring coordination between the two proceedings and,
- That no step contrary to the directions of the Hon'ble Court was intended to be undertaken.

He further stated that, in this regard, he had already sent an email to the RP of Intellicity. It was accordingly recorded that the meeting was not intended to advance the resolution process during the subsistence of the status quo direction

ITEM NO. 4

TO TAKE NOTE OF THE MINUTES OF THE PREVIOUS MEETING OF COMMITTEE OF CREDITORS i.e., 23rd & 24th.

The Chairman informed that the Minutes of the 23rd Meeting of the Committee of Creditors (CoC), held on 25th June 2026, were circulated to all the participants on 26th June 2026. and Minutes of the 24th Meeting of the Committee of Creditors (CoC), held on 2nd August 2026, were circulated to all the participants on 5th August 2026. Accordingly, the members of the Committee of Creditors are requested to take note of the Minutes of the 23rd and 24th CoC Meetings.

Mr. Vivek Raheja AR-Intellicity taken note of the minutes of the 24th meeting expressly subject to, and without prejudice to, the objection taken on 06.08.2026 as to the non-participation of the Authorised Representative of the class of Ascot Projects Private Limited in that meeting.

ITEM NO. 5

TO TAKE NOTE OF EXPRESSION OF INTEREST RECEIVED PURSUANT TO FORM G

Chairman informed about the publication of Form G dated 06.08.2026, the Resolution Professional ("RP") received **15 (fifteen) expression of interest** who have submitted their Expressions of Interest along with the requisite documents and deposited application money out of these 1 (one) has not deposited the amount.

Mr. Vivek Raheja had proposed that the Committee authorise RP to seek a clarification from the Hon'ble NCLAT that the order of status quo does not prevent the evaluation of the fifteen expressions of interest already received and the carrying out of eligibility screening under Section 29A, provided that no final list of prospective resolution applicants is published and no resolution plan is approved during the pendency of the appeals. The proposal creates no right in any person and prejudices nobody, and it would prevent the interest generated by the FormG of 06.08.2026 from going cold.

The COC took note of the same.

ITEM NO. 6

TO TAKE NOTE THE APPEAL FILED BY CONSORTIUM OF SSR TOWNSHIPS PVT LTD AND SANJEEV MITLA

Chairman informed that, challenging the Order dated 24.07.2026 passed by the Hon'ble NCLT, the erstwhile Resolution Applicant, the Consortium of SSR Townships Private Limited and Mr. Sanjeev Mitla, has filed an appeal before the Hon'ble National Company Law Appellate Tribunal (NCLAT).

The details of the appeal are as follows:

S.NO.	PARTICULARS	CASE NO.
1	Consortium of SSR Townships Pvt Ltd and Sanjeev Mitla Vs. Manoj Kulshrestha & Anr.	Comp. App. (AT) (Ins) No. 1550 of 2026
2	Consortium of SSR Townships Pvt Ltd and Sanjeev Mitla Vs. Rajiv Bajaj & Anr.	Comp. App. (AT) (Ins) No. 1551 of 2026

The appeal was listed before the Hon'ble NCLAT on 21.08.2026. On the said date, the matter was heard by the Hon'ble Court; however, owing to the limited time

available, the matter was further listed for hearing on 24.08.2026.

Chairman also informed that On 24.08.2026, the matter was heard at length by the Hon'ble NCLAT, and certain directions were issued by the Hon'ble Court. The detailed order has not yet been uploaded on the NCLAT website. The same shall be provided to the CoC as and when it is uploaded on the website.

Note recorded on finalization of these minutes: the order of the Hon'ble NCLAT dated 24.08.2026 in Comp. App. (AT) (Ins) Nos. 1550 and 1551 of 2026 has since been uploaded and circulated. By paragraph 20 thereof notice has been issued in the appeals and on the applications for interim relief, which remain undecided. By paragraph 22 the respondents represented before the Hon'ble Tribunal are permitted to file their reply within ten days from 24.08.2026, and the appellants a rejoinder within five days thereafter. By paragraph 24 the appeals are listed on 15.09.2026 under the caption 'For Admission (After Notice)'. By paragraph 25 it is provided that, till the next date of listing, the Resolution Professionals of both Corporate Debtors shall not take any further steps in pursuance of the fresh Form G. The order dated 24.07.2026 of the Hon'ble Adjudicating Authority has not been stayed.

This update is accordingly placed before the Committee of Creditors for taking note of the aforesaid development and for considering the consequential course of action in accordance with the directions of the Hon'ble NCLAT and applicable provisions of law.

The Chair stated that the detailed order would be circulated to the CoC upon being made available.

Mr. Raheja submits that he opposed the grant of interim relief before the Hon'ble NCLAT on 24.08.2026 through his counsel. He further submits that the position of the class on the merits of the appeals stands reserved and is to be determined by a vote of the class in accordance with Regulation 25A.

The CoC took note of the above developments and agreed that all further action, if any, would be undertaken in accordance with the detailed order of the Hon'ble NCLAT and applicable law.

The CoC took note of the same.

Other Discussion in the meeting

1. The conclusions of the meeting of the class held on 25.08.2026, which was read out to the Committee.

Mr. Raheja informed that a consultative meeting of the financial creditors in the class of Intellicity Business Park Private Limited was convened to deliberate upon the following proposal:

- 1) To brief the financial creditors in the class on the proceedings and outcome of the hearing held before the Hon'ble NCLAT on 24.08.2026 in the appeals filed against the order dated 24.07.2026 of the Hon'ble NCLT;
- 2) To discuss the legal grounds, reliefs sought and the strategy to be adopted for the written submissions/reply to be filed before the Hon'ble NCLAT;
- 3) To deliberate on the manner in which the direction of the Hon'ble NCLT for joint and several meetings of the Committees of Creditors of Intellicity Business Park Private Limited and Ascot Projects Private Limited should be given effect, having regard to the substantial commonality of creditors between the two companies;
- 4) To discuss matters relating to legal representation (including engagement of a senior advocate) before the Hon'ble NCLAT;
- 5) To obtain the preliminary views of the financial creditors in the class ahead of the 25th CoC Meeting scheduled to be held on 26.08.2026.

Mr. Raheja informed the members that the meeting was attended by the following persons:

- Mr. Karan Gandhi, Advocate and Counsel appearing on behalf of the Authorised Representative ("AR") before the Hon'ble NCLAT;
- Mr. Rahul Jindal, representing IRR Insolvency Professionals Private Limited, the Monitoring Professional appointed by the Hon'ble NCLT for the combined process; and
- More than 50 financial creditors belonging to the class.

He further informed that the proceedings of the meeting were duly recorded. Mr.

Gagan Gulati, Authorised Representative for the class of creditors of Ascot Projects Private Limited, was also invited by email dated 25.08.2026 to attend the meeting and/or convene a parallel consultation with the Ascot homebuyers alongside the present meeting, considering the substantial commonality of creditors between the two companies. However, Mr. Gulati was not present at the meeting.

2. Objections Raised by the AR of Ascot Projects

The Chairman informed the meeting that Mr. Gulati, stated to be the AR of the Class of Creditors of Ascot Projects, had not joined the meeting but had communicated his objections by email. The substance of the objections was read out during the meeting.

The objections included, inter alia:

- objection to the convening/conduct of the joint meeting;
- contention that the meeting was inconsistent with the order/directions of the Hon'ble NCLAT;
- contention regarding the authority of the RP of Intellicity to convene a joint meeting involving Ascot;
- objection to the manner in which the previous minutes/meeting notice had been described;
- contention that the ARs of the two corporate debtors remained separate and independent; and
- Request to withdraw the meeting notice/minutes and refrain from taking further steps pursuant to the order dated 24 July 2026 during the subsistence of the stay/status quo.

The communication received from Mr. Gulati is placed hereinabove for ready reference.

"Dear Sir,

This communication is issued with reference to the Notice and Agenda dated 24.08.2026 ("Notice") circulated by you for convening the 25th Meeting of the Committee of Creditors ("CoC") of Intellicity Business Park Private

Limited ("Intellicity"), jointly with the CoC of Ascot Projects Pvt. Ltd. ("Ascot"). I, as the AR of FCIC of Ascot Projects Pvt Ltd, I respectfully object to the said meeting being convened and/or conducted by you, for the reasons set out below.

At the outset, it is respectfully submitted that the Notice has been issued and the meeting has been scheduled, in complete disregard of the order pronounced by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") in open court on 24.08.2026, whereby the Form G process, and all consequential actions emanating therefrom as per impugned order dated 24.07.2026 of Hon'ble NCLT, were stayed. It is a matter of record that your counsel(s) were present before the Hon'ble NCLAT when the said order was pronounced in open Court on 24th Aug 2026 and are, therefore, fully aware of the directions issued by the Appellate Tribunal. Despite such actual knowledge, if you choose to proceed with issuing the Notice and scheduling the said meeting which is impermissible in law and in direct violation of the Hon'ble Appellate Tribunal's order. It will amount to contempt of court and I as AR of Ascot Projects Private Limited, legally bound by the orders passed by the Hon'ble NCLAT can't accept the notice of COC meeting issued by you."

Mr. Rajiv Bajaj stated that the Court order does not terminate the services of the ARs. However, the ARs of both companies should be involved in the process, as they represent the homebuyers of their respective companies. Rahul Jindal monitoring professional was asked for his opinion in this regard.

Rahul Jindal further clarified that the Court order provides that the matter should be taken up jointly and severally. He also stated that if Ascot wishes to conduct a separate meeting, it may proceed with the same.

The Chairman stated that, in his understanding, the directions contemplated a joint and several meeting and that the present meeting was limited to discussion and taking note of the position, without taking any step to progress the resolution process in violation of the status quo direction.

Mr. Vivek Raheja also referred to a communication received from Mr. Gulati raising substantially similar objections. The communication received from Mr. Gulati is placed hereinabove for ready reference.

Dear Sir,

This communication is issued with reference to your email dated 25.08.2026 ("Email") and the pre-CoC Minutes circulated therewith, whereby you have sought to convene a common/joint meeting of the allottees of Intellicity Business Park Private Limited ("Intellicity") and Ascot Projects Private Limited ("Ascot"). I, as the Authorised Representative of FCIC of Ascot, respectfully object to the same for the reasons set out below.

At the outset, the Email and the meeting proposed to be convened pursuant thereto are without jurisdiction. The order of the Hon'ble NCLT dated 24.07.2026 directed only the Resolution Professional of Intellicity to convene a joint CoC meeting of the two Corporate Debtors; you, as AR of only one of the two CDs, have no authority thereunder to convene a joint meeting of allottees. In order pronounced by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") in open court on 24.08.2026, whereby the Form G process, and all consequential actions emanating therefrom as per impugned order dated 24.07.2026 of Hon'ble NCLT, were stayed. No steps whatsoever can therefore be taken pursuant to the NCLT order for so long as the stay subsists. I further object to the Minutes dated 25.08.2026, which do not accurately reflect the NCLAT proceedings and record, without authority, a suggestion for common legal representation of the ARs/RPs of both CDs – a matter that falls solely within the domain of the Ascot homebuyers. The CIRPs of Intellicity and Ascot remain separate and independent, and the roles of the RP and AR of Ascot stand unaffected by the NCLT order. You accordingly have no locus to question my authority, which flows directly from the homebuyers of Ascot.

In these circumstances, you are called upon to forthwith withdraw the Email and the Minutes dated 25.08.2026, and to refrain from convening any joint meeting of the allottees of the two Corporate Debtors, or from taking any steps in furtherance of the NCLT order dated 24.07.2026, for so long as the stay granted by the Hon'ble NCLAT on 24.08.2026 remains in operation. If it does, It will amount to contempt of court and I as AR of Ascot Projects Private Limited, legally bound by the orders passed by the Hon'ble NCLAT.

Mr. Rajiv Bajaj stating that on the previous occasion, he had not been given an opportunity to participate in a COC meeting. The RP of Intellicity responded that this was precisely why he had been invited to the present meeting; however, he had objected the meeting and the invitation to attend and absent from this meeting.

Mr. Vivek Raheja supported the position and stated that it is the responsibility of the RP of Ascot to facilitate communication and also stated that, on the previous occasion, the notice had been circulated to Mr. Bajaj, who could have forwarded the same to the AR through the RP of Ascot. Mr. Bajaj objected on this statement.

3. Common representation of the homebuyers.

The RP of Intellicity further stated that a similar issue had arisen before the NCLAT, where two different representations were being made by the two ARs. Accordingly, there was also a concern before the Court as to who was representing whom. Since more than 90% of the homebuyers are common, the representation of ARs cannot be opposite to each other or taken separately.

At this stage, Mr. Vivek Raheja also discussed the appointment of a common advocate to represent the class of creditors/homebuyers. He suggested that, since the creditors constitute a common class and their interests are largely aligned, a single advocate may be appointed to represent the interests of all homebuyers. Mr. Raheja added, consistently with the conclusions of the meeting of the class held on 25.08.2026 which he had read out, that common representation of both classes can be adopted only if both classes so instruct and if no conflict arises between them; and that the positions advanced on behalf of the two classes before the Hon'ble NCLAT on 24.08.2026 were not aligned. The suggestion was accordingly placed for consideration and was not adopted.

Further he submits that, I had convened a meeting specifically for this purpose and had also invited Mr. Gulati, considering that the members of the creditor class have largely common interests. Accordingly, it was suggested that, if Mr. Gulati felt that sufficient time had not been provided for consideration of the matter, another meeting could be convened after allowing him two days' time to consider the issue.

However, he has now taken the position that convening such a meeting amount to contempt of court. In these circumstances, the question arises as to how the matter should proceed.

In replied to this Chairman stated that Mr. Gulati should appreciate that he had chosen not to attend the meeting and was, in effect, avoiding participation in the proceedings. The meeting was not convened for the purpose of discussing or deciding the process to be adopted going forward. In these circumstances, it is difficult to understand the basis or manner in which such an email alleging contempt of court has been addressed.

Mr. Rahul Jindal submits that It was clearly recorded in the minutes that the reply which have to be filed before the NCLAT or any views or opinions expressed by any of the Resolution Professionals (RPs) should first be discussed with the members of the Committee of Creditors (CoC), and only thereafter should such views be formally put forward.

He further stated that the allegation regarding contempt of court in connection with conducting the meeting. He is of the view that status quo to be maintained and meetings of CoC can be conducted by the RP. He also stated that the AR of Ascot should have sought the views of the homebuyers before taking a position before the Hon'ble NCLAT, particularly where there are divergent or opposite views, instead of proceeding without first consulting the homebuyers.

The Chairman questioned whether, merely because the Authorised Representative ("AR") of Ascot had not attended the meeting, it could be

presumed that the stand/position taken by the AR was representative of, and had been authorised by, the Committee of Creditors (“CoC”) of Ascot.

In replied to that Mr. Raheja said that we, we do not have any knowledge of that because we believe ninety percent of the class of creditors are same and they uniformly.

The Chairman observed that, without convening a meeting of the CoC, the AR could not form or represent the CoC’s views. He further noted that no order of the Hon’ble Court had been issued restraining further progress of the process, and questioned the basis for the AR’s contention that conducting the meeting would amount to contempt, particularly when the AR himself had not attended the meeting.

Mr. Jindal said in case there are matters really pending at the end, and AR has to put across his point without conducting a meeting with the lenders, how can he put across the point to the end client on his own, even if there is a new process? How is he expected to convey the views of the presenters without conducting a meeting?

Chairman said that Mr. Gagan Gulati is not presenting the COC’s views but expressing his own, and it is unclear on what basis he is making such statements. Chairman also noted that both ARs should be brought on the same platform to ensure that the COCs do not present conflicting views before the Court, as such contradictions could appear suspicious.

It was proposed that the minutes clearly record whether the Authorised Representative (AR) had obtained and considered the views of the CoC, particularly since a substantial majority of the lenders were common, prior to making any submission before the Court. The AR should accordingly clarify the same. The position/views of the homebuyers and any matter requiring re-approval by the CoC should also be duly recorded.

Mr. Jindal enquired whether the approval of the Committee of Creditors (CoC) had been obtained for the appointment of the advocate on behalf of

the Authorised Representative (AR) of Ascot.

In reply, Mr. Rajiv Bajaj stated that only one advocate, Mr. Ishwar Mahapatra, has been appointed for the Resolution Professional (RP), and his fees have been ratified by the Committee of Creditors (CoC).

Further, the Chairman enquired whether any advocate could appear on behalf of the Authorized Representative (AR), or whether any prior approval was required for such appointment. In response, Mr. Bajaj stated that he was not aware of the person appearing on behalf of the Ascot AR.

Mr. Rajiv Bajaj stated that he was not aware of the identity of the person appearing on behalf of the respective ARs and expressed his surprise regarding the same. He further stated that the advocate who appeared before the Court on 24.08.2026 had initially stated that he was appearing on behalf of Vivek Raheja. However, subsequently, the advocate changed his position and stated that he was appearing on behalf of Mr. Gulati.

The RP of Ascot expressed his surprise regarding the aforesaid development, which was objected to by the AR of Intellicity.

Mr. Rahul Jindal stated that it should be recorded that no approval had been obtained from the CoC/class of creditors for the appointment or appearance of the advocate and that the RP of Ascot was also not aware of the basis on which the advocate had appeared. He further stated that the proposal regarding the advocate appearing on behalf of the homebuyers should be reconsidered.

In reply to all Mr. Vivek Raheja submitted that Adv. Karan Gandhi had been appointed to represent the AR of Intellicity. Mr. Raheja further submitted that an Authorised Representative cannot discharge his functions under Section 25A of the Code without legal assistance in appellate proceedings in which the class is a respondent; that his engagement of Adv. Karan Gandhi had been placed before the class of financial creditors at the consultative meeting of 25.08.2026, the conclusions of which record the class as having asked that the fee be

placed before the Committee for approval; and that by his letter to the Resolution Professional dated 23.08.2026 — that is, before the hearing of 24.08.2026 and before this meeting — he had requested that the fee of counsel be approved as an insolvency resolution process cost under Regulation 31 read with Regulation 34.

4. Appointment of the Senior Advocate

Mr. Vivek Raheja informed the members that a Senior Counsel may be briefed to appear along with Mr. Karan Gandhi, Advocate, at the next and subsequent hearings. He further proposed that the engagement of the Senior Counsel, along with the proposed professional fee, be placed before the Committee of Creditors (“CoC”) for its approval as an insolvency resolution process cost under Regulation 31 read with Regulation 34 of the applicable regulations.

In view of the above, the Chairman informed the members that the agenda item would be deferred pending receipt of a legal opinion on whether the proposed professional fee and related expenses would qualify as an insolvency resolution process cost under the applicable provisions.

The legal opinion would be obtained from the Independent Advocate and placed before the CoC for its consideration prior to the next meeting of the CoC.

Mr. Vivek Raheja stated that the counsel appearing for the Resolution Professional at the hearing of 24.08.2026 did not make submissions opposing the grant of interim relief, with the result that the opposition to the appellants’ application was carried by counsel for the class alone; and that the Resolution Professional be requested to state, in writing and before the next hearing. In this regard the committee further suggest to appoint a senior advocate on behalf of the Resolution Professional.

Mr. Vivek Raheja further submits that the appointment of professionals to assist RP is RP’s own function under Regulations 27 and 34, the role of the Committee being confined to the approval of fees.

5. To discuss about the consolidated list and record.

Mr. Vivek Raheja further requested that a consolidated list of creditors be circulated and sought clarification on whether the voting shall be conducted separately or jointly.

In replied the that the Chairman informed that the consolidated list had already been prepared and stated that, since there are common homebuyers, RP Intellicity has maintained combined claim list as well as separate claim lists by both the RPs were being maintained.

He further clarified that additional claims, whether fresh or existing claims from Ascot, have also been incorporated in the combined list.

6. About the I.A 3551/ND/2020

Mr. Raheja informed to the committee that the IA-3551/ND/2020 was disposed of by paragraph 24 of the order dated 24.07.2026 as having become infructuous and was never decided on merits, and would necessarily revive for adjudication if the Hon'ble NCLAT were to restore IA-3377/ND/2020; and that the application will accordingly be relied upon in the written submissions to be filed.

Further that the voting record of the 10th meeting of the Committee be verified and a number-based, rather than merely percentage-based, analysis of it be incorporated in the written submissions, including the position of members who did not vote.

No such other matters were discussed with the permission of the Chair.

Sir,

The Resolution Professional is requested to kindly apprise all the members of the Committee of Creditors and other stakeholders that the Hon'ble NCLAT, in open Court on 24.08.2026, was pleased to stay the further proceedings in the matter.

In view of the stay granted by the Hon'ble NCLAT, all concerned are required to honour and abide by the said order and keep the proceedings in abeyance. No further steps or proceedings should be undertaken in the matter until further orders/directions are passed by the Hon'ble NCLAT.

Accordingly, the CoC members may kindly be advised to await the outcome of the pending Appeal and/or any further order of the Hon'ble NCLAT and to act strictly in accordance with the orders/directions that may be passed by the Hon'ble Appellate Tribunal from time to time.

Mr. Gagan Gulati

Authorised Representative of the Financial Creditors in a Class (Home Buyers)

Ascot Projects Private Limited (Under CIRP)

Subject: Reply to your communication dated 26.08.2026 in respect of the consultative meeting of the class held on 25.08.2026

Dear Mr. Gulati,

I acknowledge your communication of this evening. I reply briefly and, I hope, without adding heat to a matter in which the interests we each represent very largely coincide.

1. Two matters I accept at once

First, you are right that the direction at paragraph 19 of the order dated 24.07.2026 places the convening of the joint and several meetings of the Committees of Creditors upon the Resolution Professional of Intellicity Business Park Private Limited. I have never suggested otherwise, and I say something further about this at paragraph 2 below.

Secondly, you are right that whether the class you represent wishes to be represented by common counsel is a matter for that class alone. That is precisely what I recorded. The minutes you object to state, in terms: *"The AR recorded that common representation of both classes can only be adopted if the two classes so instruct and if no conflict arises between them ... The suggestion is therefore recorded for consideration and not adopted."* There is no difference between us on that question.

2. What the meeting of 25.08.2026 was, and what it was not

I did not convene, and did not purport to convene, a meeting of the Committee of Creditors of either Corporate Debtor, jointly or otherwise. I convened a consultative meeting of the class of financial creditors of Intellicity Business Park Private Limited, which I am appointed to represent. The minutes record this on their first page, before anything else: *"This was a consultative meeting of the financial creditors in a class of Intellicity Business Park Private Limited. It was not a meeting of the Committee of Creditors ... No decision of the Committee of Creditors or of the class was, or could be, taken at this meeting."*

What I proposed to you was not that I convene anything of yours. It was that *you* convene the class you represent into a session held at the same time as mine, so that home buyers who are allottees in both companies received the same information at the same hour. The proposal expressly provided that attendance would be taken class-wise, that no combined tally of any kind would be taken, and that each of us would independently ascertain and record the decision of his own class. It was an invitation, which you were entirely free to decline, and which you have declined.

An Authorised Representative who does not consult his class cannot discharge Section 25A(3A) of the Code, which obliges him to cast the vote of the class as decided by more than fifty per cent of the voting share of those who vote. Consulting the class I represent is not a step taken in furtherance of the order dated 24.07.2026. It is the discharge of a statutory duty which exists independently of that order and which predates it. No order of any Tribunal restrains a representative of creditors from speaking to the creditors he represents; were it otherwise, neither you nor I could have taken instructions on these appeals at all. On that footing, and with respect, I do not propose to say anything further about the suggestion of contempt.

3. The order of the Hon'ble NCLAT dated 24.08.2026

This is, I suggest, the real difficulty between us, and it is one neither of us can presently resolve.

You state that the Hon'ble NCLAT stayed the Form G process and all consequential actions emanating from the order dated 24.07.2026. My information, from counsel who was present, is that the Bench passed an order of status quo, directed the matter to be listed among the first five on the next date, and gave directions for pleadings. The Resolution Professional of Intellicity, in the agenda circulated on 24.08.2026 for the meeting of the Committee of Creditors, records only that "*certain directions were issued by the Hon'ble Court. The detailed order has not yet been uploaded on the NCLAT website.*" So far as I am aware the order has still not been uploaded, and I have not seen it.

I do not suggest that your account is wrong. I say only that neither of us is presently in a position to assert the scope of an order that neither of us has read, and that I have been careful to record as much in the very minutes you object to, which carry a standing caveat to that effect on their first page. If you hold a copy of the order, or a transcript or note of what was pronounced, I would be grateful to receive it, and I will correct my record and my conduct immediately in accordance with it.

4. The minutes

You say the minutes do not accurately reflect the NCLAT proceedings. If that is so I want to know it, and I will put it right. Please identify the passages you say are inaccurate and what the accurate position is. Any inaccuracy you establish will be corrected by a corrigendum circulated to the same recipients, promptly and without argument.

I am not, however, able to withdraw the minutes. They are the record of a meeting which took place, made by the person who convened it and circulated to those entitled to receive it. A record of what occurred can be corrected; it cannot be withdrawn because a reader disagrees with it. The same applies to the covering e-mail.

5. Your authority

I do not question your appointment. It is made under Regulation 16A and I have no locus in it, as you rightly say, and I claim none.

The question I have raised is narrower and different. It is what instruction of the class you represent authorised the position taken on your behalf before the Hon'ble NCLAT on 24.08.2026. I raise it for one reason only: approximately ninety per cent of the financial creditors in my class are also allottees in Ascot Projects Private Limited, and are therefore represented by you as well. On 24.08.2026 substantially the same body of home buyers was represented before the same Bench in two different directions on the same question. My duty to those persons is the whole of the reason for the enquiry. It is not a challenge to you, and nothing in it alleges collusion, connivance or professional misconduct against you or against any other person; no such allegation is made, and none is intended.

You say your authority flows directly from the home buyers of Ascot. I readily accept that it does. I ask only that you tell me how it was taken.

6. Requests

- (i) A copy of the order of the Hon'ble NCLAT dated 24.08.2026, or, if you do not hold it, the source of your statement as to its scope.

(ii) Identification of the passages in the minutes dated 25.08.2026 which you say are inaccurate, and the accurate position in each case.

(iii) The date and manner in which the instruction of the class you represent was taken before the position was advanced on 24.08.2026 — whether by a meeting or by written responses; if by written responses, how many were received and what voting share they represent.

(iv) Whether you propose to place the two appeals before the class you represent, and before the Committee of Creditors of Ascot Projects Private Limited.

(v) Whether the Committee of Creditors of Ascot Projects Private Limited was separately convened for 26.08.2026, and whether you will participate in the joint and several meetings of the two Committees as and when convened by the Resolution Professional of Intellicity Business Park Private Limited.

7. Finally

The home buyers of these two companies have waited since May 2019 and none of them has possession. They are, to the extent of about nine in ten, the same people. Whatever the differences between us as to the course these appeals should take, those differences are better settled by an exchange of information than by correspondence of the present kind, and I would much prefer the first. I remain willing to meet you, at your convenience, with or without the presence of either Resolution Professional.

This letter is issued without prejudice to, and with express reservation of, all rights and contentions of the class I represent.

Yours sincerely,

Vivek Raheja

Authorised Representative of the Financial Creditors in a Class (Home Buyers)

Dear Sir,

This communication is issued with reference to your email dated 25.08.2026 ("Email") and the pre-CoC Minutes circulated therewith, whereby you have sought to convene a common/joint meeting of the allottees of Intellicity Business Park Private Limited ("Intellicity") and Ascot Projects Private Limited ("Ascot"). I, as the Authorised Representative of FCIC of Ascot, respectfully object to the same for the reasons set out below.

At the outset, the Email and the meeting proposed to be convened pursuant thereto are without jurisdiction. The order of the Hon'ble NCLT dated 24.07.2026 directed only the Resolution Professional of Intellicity to convene a joint CoC meeting of the two Corporate Debtors; you, as AR of only one of the two CDs, have no authority thereunder to convene a joint meeting of allottees. In order pronounced by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") in open court on 24.08.2026, whereby the Form G process, and all consequential actions emanating therefrom as per impugned order dated 24.07.2026 of Hon'ble NCLT, were stayed. No steps whatsoever can therefore be taken pursuant to the NCLT order for so long as the stay subsists. I further object to the Minutes dated 25.08.2026, which do not accurately reflect the NCLAT proceedings and record, without authority, a suggestion for common legal representation of the ARs/RPs of both CDs – a matter that falls solely within the domain of the Ascot homebuyers. The CIRPs of Intellicity and Ascot remain separate and independent, and the roles of the RP and AR of Ascot stand unaffected by the NCLT order. You accordingly have no locus to question my authority, which flows directly from the homebuyers of Ascot.

In these circumstances, you are called upon to forthwith withdraw the Email and the Minutes dated 25.08.2026, and to refrain from convening any joint meeting of the allottees of the two Corporate Debtors, or from taking any steps in furtherance of the NCLT order dated 24.07.2026, for so long as the stay granted by the Hon'ble NCLAT on 24.08.2026 remains in operation. If it does, It will amount to contempt of court and I as AR of Ascot Projects Private Limited, legally bound by the orders passed by the Hon'ble NCLAT.

This communication is issued without prejudice to, and with express reservation of, all our rights and contentions.

Regards

Gagan Gulati, Authorised Representative

MINUTES OF MEETING

Meeting of Financial Creditors in the Class - Home Buyers

Convened by the Authorised Representative (IP Vivek Raheja) under Section 25A of the Insolvency and Bankruptcy Code, 2016 read with Regulation 16A of the CIRP Regulations

In the matter of CIRP of Intellicity Business Park Private Limited

25.08.2026

IMPORTANT - NATURE OF THIS MEETING. This was a consultative meeting of the financial creditors in a class of Intellicity Business Park Private Limited. It was not a meeting of the Committee of Creditors. The persons present are financial creditors in a class represented by the Authorised Representative; they are not themselves members of the Committee of Creditors, the Committee being represented by the Authorised Representative under Section 21(6A)(b) of the Code. No decision of the Committee of Creditors or of the class was, or could be, taken at this meeting. Everything recorded below is a view expressed by those present and an action point for the Authorised Representative, and nothing recorded below binds the class. Any decision of the class will be taken only through a voting window under Regulation 25A, in which the Authorised Representative will cast the vote of the class as decided by more than fifty per cent of the voting share of those who vote, in terms of Section 25A(3A) of the Code.

STANDING CAVEAT. The written order of the Hon'ble NCLAT dated 24.08.2026 had not been uploaded as at the date of this meeting and had not been seen by the Authorised Representative or by counsel. The account of the hearing and of the directions recorded below rests on the report of counsel who was present in court, and is subject to correction on receipt of the written order.

Date of Meeting	Tuesday, 25.08.2026
Time	8:00 P.M.
Mode / Venue	Video Conference
Convened by	Mr. Vivek Raheja, Authorised Representative (AR) for the class of Financial Creditors (Home Buyers) of Intellicity Business Park Private Limited
Purpose	– To brief the financial creditors in the class on the proceedings and outcome of the hearing held before the Hon'ble NCLAT on 24.08.2026 in the appeals filed against the order dated 24.07.2026 of the Hon'ble NCLT; – To discuss the legal grounds, reliefs sought and the strategy to be adopted for the written submissions/reply to be filed before the Hon'ble NCLAT; – To deliberate on the manner in which the direction of the Hon'ble NCLT for joint and several meetings of the Committees of Creditors of Intellicity Business Park Private Limited and Ascot Projects

	Private Limited should be given effect, having regard to the substantial commonality of creditors between the two companies; – To discuss matters relating to legal representation (including engagement of a senior advocate) before the Hon'ble NCLAT; – To obtain the preliminary views of the financial creditors in the class ahead of the 25th CoC Meeting scheduled to be held on 26.08.2026.
Attendance	– Advocate Mr. Karan Gandhi - Counsel appearing on behalf of the AR before the Hon'ble NCLAT; – Mr. Rahul Jindal - representing IRR Insolvency Professionals Private Limited (Monitoring Professional appointed by the Hon'ble NCLT for the combined process); – 50+ Financial Creditors in the class. Meeting was recorded.
Also Invited but not present	Mr. Gagan Gulati, Authorised Representative for the class of creditors of Ascot Projects Private Limited, was invited by e-mail dated 25.08.2026 to attend/convene a parallel consultation of the Ascot home buyers alongside this meeting, having regard to the substantial commonality of creditors between the two companies.

1. Conduct of Meeting

This consultative meeting was convened by the AR, Mr. Vivek Raheja, ahead of the 25th CoC Meeting scheduled to be held on 26.08.2026, for the purpose of updating the financial creditors in the class on the outcome of the hearing held before the Hon'ble National Company Law Appellate Tribunal (NCLAT) on 24.08.2026, and to obtain the preliminary views of the home buyers on the course of action to be adopted, including the written submissions to be filed pursuant to the directions of the Hon'ble NCLAT.

Advocate Mr. Karan Gandhi, who appeared on behalf of the AR/CoC at the said hearing, was requested by the Chair to brief the members on the proceedings before the Hon'ble NCLAT.

2. Background - Update on Hearing before the Hon'ble NCLAT held on 24.08.2026

Advocate Mr. Karan Gandhi briefed the members as under:

- The matter was taken up before the Hon'ble NCLAT on 24.08.2026 in the appeals filed against the order dated 24.07.2026 of the Hon'ble NCLT.
- Counsel for the appellants contended that the AR appearing on behalf of the CoC/home buyers was representing a class that had already voted in favour of the resolution plan and could not now be heard to oppose it. Advocate Karan Gandhi clarified before the Bench that this was not a case of the AR resiling from the vote already cast; rather, the objection was that even where the CoC/home buyers had approved the resolution plan by their votes, the Hon'ble NCLT is

separately required, under the IBC, to independently examine the feasibility and viability of the plan at the stage of approval - and it was on this ground of feasibility and viability (and not merely on the contents of the votes cast) that the impugned order had proceeded, and the plan had in fact been found by the Hon'ble NCLT to be non-viable and conditional.

- It was clarified before the Bench that in a pre-CoC meeting held prior to the hearing, the majority of home buyers present had expressed that they did not wish to proceed with the earlier (rejected) resolution plan and were objecting to it. Reference was also made to IA No. 3551, in which certain home buyers had already raised objections to the resolution plan at the relevant time, prior to the impugned order being passed. The AR recorded, for accuracy, that IA-3551/ND/2020 was filed on 06.08.2020 by the Intellicity Social Welfare Society through its authorised signatory Shri Surendra Singh, and not by the Authorised Representative or by the class as such.
- On being questioned by the Bench as to whether homebuyers had objected at the relevant time when the plan application was pending, it was submitted that objections had in fact been raised through IA No. 3551 at the relevant time, and that a judgment of the Hon'ble Supreme Court on the doctrine of estoppel (cited by opposing counsel to argue that home buyers who had voted in favour could not now take a contrary stand) was not applicable, since the present challenge was not to the contents of the plan/votes already cast, but to the subsequent finding of non-viability and non-compliance with the RFRP.
- The Hon'ble NCLAT, while granting interim relief in the nature of status quo, was informed that: (i) Form G stands issued and prospective applicants have already commenced participating in the fresh process; and (ii) a very large number of home buyers (more than 1800) are affected by the case, warranting an expedited hearing.
- The Hon'ble Bench granted the status quo/interim protection, directed that the matter be listed amongst the first five matters on the next date, and passed directions for filing of pleadings - seven days' time was granted to the Authorised Representative to file its reply, and five days thereafter to the appellants to file their response, with the next date to be fixed thereafter. The precise terms of the direction on pleadings, and the time from which the periods run, will be confirmed on receipt of the written order.

The AR then recorded, so that the members are not misled as to the effect of the interim order, that an order of status quo does not set aside the order of the Hon'ble NCLT dated 24.07.2026, does not restore or approve the resolution plan of the appellants, does not reinstate the appellants as successful resolution applicant, and does not decide the appeals, which remain to be heard on merits. Its effect is to hold the position as it stood on 24.08.2026, and it is an interim order liable to be modified or vacated. No third-party right has been created in favour of any person, and resolution plans under the fresh process were in any event not due until 08.10.2026.

Advocate Karan Gandhi stated that he had raised the objection to the grant of/continuation of status quo through out the hearing; however, in view of the volume of submissions and limited time available before the Bench, the arguments on certain factual aspects could not be elaborated upon at length and would need to be comprehensively set out in the written reply.

Members noted with concern that, of the respondents before the Hon'ble Bench across the two connected appeals, the opposition to the grant of interim relief was carried by counsel for this class alone. This is dealt with at paragraphs 4 and 7 below.

3. Discussion on Grounds of Challenge, Reliefs Sought (IA No. 3551) and Connected Applications

The reliefs sought in IA No. 3551, as read out and discussed at the meeting, were noted as under (these being six of the eleven prayers (a) to (k) made in that application):

1. To pass an appropriate order setting aside the decision of the Resolution Professional allowing the RFRP conditions to be altered only for the benefit of one resolution applicant.
2. To pass an appropriate order rejecting the resolution plan submitted by SSR Township Private Limited as non-compliant with the RFRP conditions.
3. To pass an appropriate order rejecting the resolution plan submitted by SSR Township Private Limited as unviable and unfeasible for completion of the project.
4. To pass an order invalidating the decisions of the CoC taken at the 10th CoC meeting, on the ground that the underlying items themselves were illegal and could not have been put to vote, and that the CoC cannot, by voting, condone or perpetuate an act contrary to the Code and CIRP Regulations.
5. To pass an appropriate order for an independent examination of the admission of claims of financial creditors.
6. To pass an appropriate order declaring the voting results in all CoC meetings, passed after accepting allegedly illegal claims and allowing related parties to vote, as void/illegal.

It was noted that these prayers were not separately argued at the hearing on 24.08.2026, but stand on record and are to be relied upon in the written submissions to be filed. The AR further recorded that prayer (j) of that application, which sought a stay of the corporate insolvency resolution process itself, is not pressed and is inconsistent with the present position of the class.

It was recorded, and members were asked to note carefully, that IA-3551/ND/2020 has never been decided on merits. By paragraph 24 of the order dated 24.07.2026 it was disposed of as having become infructuous in view of the order passed in IA-3377/ND/2020. It follows that if the Hon'ble NCLAT were to restore IA-3377, IA-3551 would necessarily revive for adjudication. That is a material answer to the appellants' case that the approval of 30.07.2020 stands unchallenged.

Points 5 and 23 of the NCLT Order dated 24.07.2026

One of the participants highlighted Point 5 and Point 23 of the Hon'ble NCLT's order in detail, noting the following specific findings/objections recorded therein:

- The RP had himself, in the application before the Hon'ble NCLT, expressed dissatisfaction with the resolution plan submitted by the successful applicant (a consortium comprising SSR Township Private Limited and an individual promoter), citing that the requisite Performance Bank Guarantee/Earnest Money Deposit (approx. ₹1 crore) had not been provided as required under Clause 1.8 of the RFRP, and that instead only a lien had been marked in favour of the Corporate Debtor on a fixed deposit held in the name of the resolution applicant.
- The consortium arrangement did not comply with Clause 1.7.7 of the RFRP, in that no consortium agreement nominating a lead member, and no Power of Attorney as prescribed for a consortium, had been furnished; nor was the authorised signatory of the requisite designation (not below the rank of a Key Managerial Personnel as defined under the Companies Act, 2013) of the lead member.

- It was highlighted that the requirement of a Performance Bank Guarantee was, for this one applicant alone, substituted with a Corporate Guarantee - without such change being intimated to the other prospective resolution applicants and without being placed before the CoC for approval, contrary to the settled position that any change in RFRP conditions must be uniformly communicated to all PRAs to preserve a level playing field. The AR added that the modification was placed before the 10th meeting of the Committee of Creditors by a supplementary agenda circulated late on 25.07.2020, that the Resolution Professional had himself recorded that the conditions proposed by the resolution applicant were not acceptable as being contrary to the RFRP, and that the modification was not re-issued to the other prospective resolution applicants on the final list as Regulation 36B(5) and 36B(7) require. This is the strongest of the process grounds and should lead the written submissions.
- The proposed capital infusion structure was also flagged - with the resolution applicant proposing to infuse a substantial sum (cited as approx. ₹30 crores) through an unsecured loan against a nominal share capital of ₹10 lakh, without adequate disclosure of the source of such funding.
- It was noted that the evaluation matrix adopted in the corporate insolvency resolution process of Ascot Projects Private Limited allotted 30 of 100 marks to a collaboration agreement with the successful resolution applicant of Intellicity Business Park Private Limited, and that it had been incorporated into the resolution process without having been placed before or approved by the CoC. Further the Hon'ble NCLT held at paragraph 19 of its order that no evaluation matrix which provides 30 points to plans which collaborate with another successful resolution applicant can be countenanced in the interest of a fair bid and maximisation of value.

Members were of the view that these constitute material irregularities going to the root of the resolution process. The AR recorded, for accuracy and so that the written submissions do not overstate the order, that the Hon'ble NCLT rejected the resolution plan for Intellicity Business Park Private Limited on the ground that it was contingent and not implementable - the proposed merger of Ascot Projects Private Limited into the Corporate Debtor being held impermissible in a corporate insolvency resolution process, the waivers sought from the Greater Noida Industrial Development Authority being held incapable of being granted, and part of the payment being linked to recoveries from avoidance applications - and not upon the irregularities alleged in IA-3551, which were never adjudicated. The written submissions must maintain that distinction, and must advance the IA-3551 grounds as grounds which remain live and undecided rather than as findings already recorded.

Additional Grounds Discussed

- Reference was made to communications allegedly circulated to home buyers prior to voting, representing that construction would commence in November even without NCLT approval, apparently intended to influence the voting outcome; it was discussed that while this may carry limited weight as a strictly legal ground, it is relevant to be placed on record before the Bench.
- Adv Karan Gandhia informed that intervention has been permitted in the connected appeal to an unsuccessful prospective resolution applicant (through counsel), on the ground that certain RFRP conditions were arbitrarily altered to favour one applicant, thereby vitiating a level playing field.
- Discussion also took place on the percentage of votes cast in favour of the resolution plan (71.56% as recorded, subsequently analysed on a present-and-voting basis), and on the fact

that a section of home buyers had abstained from voting on the ground that they considered the process itself to be illegal.

4. Discussion on Legal Representation and Strategy

- Members noted that during the hearing on 24.08.2026, it was felt that a senior advocate is required along with Mr. Karan Gandhi at the next and subsequent hearings to aid a speedy hearing and disposal of the appeals, and the name of Mr. Abhijit Sinha was proposed for that purpose. The AR recorded that any such engagement, and the fee payable, must first be approved by the Committee of Creditors as an insolvency resolution process cost under Regulation 31 read with Regulation 34 of the CIRP Regulations, and that he would place the proposal before the Committee accordingly. No engagement was made at this meeting.
- Members expressed concern that counsel appearing for the Resolution Professional at the hearing of 24.08.2026 did not make submissions opposing the grant of interim relief, with the result that the opposition to the appellants' application was carried by counsel for this class alone. Members were of the view that the Resolution Professional should be requested to state, in writing and before the next hearing, the position he proposes to take on the interim application and on the appeals, and to satisfy the Committee of Creditors that the representation of the Corporate Debtor before the Hon'ble NCLAT will be effective.
- The AR recorded that the appointment of professionals to assist the Resolution Professional is the function of the Resolution Professional under Regulations 27 and 34 of the CIRP Regulations, the role of the Committee of Creditors being confined to the approval of the fees payable as insolvency resolution process cost. Accordingly, any view expressed by members as to the identity of counsel is recorded as a request for the consideration of the Resolution Professional and not as a direction.
- Since a common resolution process has been directed for both companies, it was suggested that, going forward, there should be only one common lawyer representing the AR (for both classes of home buyers) and one common lawyer representing the RP(s), instead of separate/multiple counsel appearing for each company, to ensure consistency and avoid duplication or conflicting submissions before the Hon'ble NCLAT. The AR recorded that common representation of both classes can only be adopted if the two classes so instruct and if no conflict arises between them, and that the events of 24.08.2026 show that the positions of the two classes are not presently aligned. The suggestion is therefore recorded for consideration and not adopted.

5. Discussion on Joint and Several Meetings of the Committees of Creditors of Intellicity Business Park Private Limited and Ascot Projects Private Limited

It was pointed out that, notwithstanding the Hon'ble NCLT's order directing a fresh common resolution process, the notices and agenda circulated for CoC meetings continue to describe each meeting only as a meeting of the CoC of the respective individual company, and do not expressly designate it as a 'Joint CoC Meeting' of Intellicity Business Park Private Limited and Ascot Projects Private Limited. The following points were discussed:

1. Future notices/agenda for CoC meetings should expressly be captioned as a meeting of the Committees of Creditors of both Intellicity Business Park Private Limited and Ascot Projects

Private Limited, held jointly and severally in terms of paragraph 19 of the order dated 24.07.2026, so that this is duly reflected and available on record.

2. A consolidated list of creditors should be circulated as an addendum to the agenda, identifying the creditors of each company separately and indicating those common to both, in the same manner as is done whenever there is any change forming part of an agenda notice.
3. Once the combined CoC list is issued, all references to the voting share/quorum of the CoC should thereafter be quoted only by reference to the combined CoC (i.e., on the basis of the combined percentage/voting share), and not by separately quoting the individual voting shares of the erstwhile Intellicity and Ascot CoCs.

Above was proposed by the class of creditors, AR noted the same.

The AR clarified, and members accepted, that paragraph 19 of the order dated 24.07.2026 directs “joint and several” meetings of the Committee of Creditors of both Corporate Debtors. It does not merge the two Committees. They remain two Committees in two separate corporate insolvency resolution processes under two separate company petitions, and the words “and several” preserve that separation. A creditor holding claims in both companies holds two distinct claims carrying two distinct voting shares. Any combined tabulation of voting share would render every resulting decision liable to challenge for want of a properly constituted Committee and correct computation of voting share, and would put at risk the very process this class wishes to protect. The threshold of 66% referred to in paragraph 19 is to be satisfied in each Committee. The proposal that voting shares henceforth be quoted only on a combined basis was accordingly to be discussed in CoC

Members requested that the AR take the points at items 1-3 above, as modified up formally at the 25th CoC Meeting scheduled on 26.08.2026.

6. Discussion on Voting Percentage and the Estoppel Argument

In connection with the estoppel argument raised by opposing counsel (that home buyers who voted in favour of the plan cannot now object to it), the following was discussed:

- As recorded, approximately 79% of eligible home buyers had cast their votes, of which, on conversion to a present-and-voting basis, approximately 71.56% voted in favour of the resolution plan and approximately 28.44% voted against it. These figures were stated at the meeting and have not been verified against the voting record. They are recorded subject to verification against the voting sheet of the 10th meeting of the Committee of Creditors held on 27.07.2020 and the result declared on 30.07.2020, and must not be placed before the Hon’ble NCLAT until so verified.
- It was explained that a significant number of home buyers who did not cast their vote had abstained specifically because they considered the resolution process (including the manner in which the RFRP conditions were altered) to be illegal, and had already raised such objections (including through IA No. 3551) prior to voting; it was agreed that this position - i.e., that non-voting reflected a considered objection to an admittedly illegal process, and not acquiescence - needs to be further substantiated with reference to the actual voting sheet/record and developed as a ground in the written reply.
- It was agreed that the exact number of eligible voters, votes cast in favour, against, and not cast, from the voting sheet shall be verified in detail and incorporated into a detailed, number-based (rather than only percentage-based) analysis in the reply to be filed.

7. Discussion on the Position taken before the Hon'ble NCLAT on behalf of the Class of Creditors of Ascot Projects Private Limited

- Members raised a concern that, at the hearing of 24.08.2026, counsel appearing for Mr. Gagan Gulati, Authorised Representative for the class of creditors of Ascot Projects Private Limited, did not oppose the grant of interim relief, and that the class he represents does not appear to have been consulted before that position was taken. Members stated that, to their knowledge, no consultative meeting of the Ascot class has been convened, and that the position taken is understood to rest on correspondence from a limited number of Ascot home buyers.
- The AR recorded the following, so that the class proceeds upon a complete view of the matter. First, an Authorised Representative acts on the instructions of the class he represents and has no independent case of his own; Section 25A(3A) of the Code requires him to cast the vote of the class as decided by more than fifty per cent of the voting share of those who vote. Secondly, approximately ninety per cent of the financial creditors in the class of this Corporate Debtor are also allottees in Ascot Projects Private Limited and are therefore represented by Mr. Gulati as well, with the result that substantially the same body of home buyers was represented before the same Bench in two different directions on the same question.
- Members were of the view that a position of this consequence ought not to have been taken before the Hon'ble NCLAT without first consulting the class, and requested the AR to pursue the matter. The AR will address a letter to Mr. Gulati, and a separate letter to the Resolution Professional of Ascot Projects Private Limited, seeking purely by way of information the basis and the date of the authority upon which the position was taken before the Hon'ble NCLAT, and whether the appeals will be placed before the Ascot class and the Ascot Committee of Creditors. The position of this class will be settled after those replies are received. The right of the class to move a grievance under Section 25A read with Section 60(5) of the Code, or before the Insolvency and Bankruptcy Board of India, stands reserved and is not presently exercised.
- It was agreed that this matter would be taken up at the 25th CoC Meeting on 26.08.2026, and at any corresponding meeting of the Committee of Creditors of Ascot Projects Private Limited if one is convened; if Mr. Gagan Gulati/representatives of Ascot participate in that meeting, the proceedings would be recorded, and the points raised at this meeting would be placed on their behalf. In case they do not participate, the AR would consider what further course of action, including any application before the Hon'ble NCLAT, may be warranted, and would revert to the class before taking any such step.
- Members were requested to send a consolidated e-mail listing all such points/instances for onward transmission and record.

8. Compilation and Filing of Written Submissions

- It was agreed that the reply/written submissions to be filed before the Hon'ble NCLAT within the time granted (7 days) would cover, at a minimum: (i) the irregularities in the RFRP conditions and their alteration in favour of one resolution applicant (Points 5 and 23 of the NCLT order), to the extent applicable to Intellicity; (ii) the plea that the resolution process itself, including the 10th CoC meeting, was vitiated and that illegal items cannot be validated merely because they were voted upon; (iii) the detailed number-based analysis of voting,

including the position of members who abstained on grounds of illegality; and (iv) reliance on IA No. 3551 and the observations of the Hon'ble NCLT at paragraphs 19, 23 and 24 of the order, IA-3551 having been disposed of as infructuous and not decided, and being liable to revive if the appeals succeed; and (v) the effect of the cancellation of the allotment of the project land by the Greater Noida Industrial Development Authority by its letter dated 30.06.2023 and the pendency of Writ C No. 31926 of 2023 before the Hon'ble High Court at Allahabad, and the consequence that no resolution plan, whether of the appellants or of any other applicant, can be implemented until that question is resolved.

- Advocate Mr. Karan Gandhi requested that all members forward their respective inputs/points, along with reasons, in writing (by e-mail), for consideration and incorporation into the reply; points not found suitable for inclusion would be noted separately with reasons.
- It was agreed that, given the substantial commonality between the two companies, efforts would be made to prepare a common/joint summary of submissions on behalf of the Committees of Creditors of both Intellicity Business Park Private Limited and Ascot Projects Private Limited, for ease of reference by the Hon'ble Tribunal, while separately dealing with company-specific legal points (such as the collaboration/GNIDA-related condition specific to Ascot Projects Private Limited). The AR recorded that a joint summary can be filed only with the concurrence of the Ascot class, and that where the positions of the two classes diverge the position of this class must be separately and clearly stated.

9. Summary of Views Expressed and Action Points for the Authorised representative

For the avoidance of doubt, none of the following is a decision of the Committee of Creditors or of the class. Each is a view expressed at a consultative meeting and an action point for the Authorised Representative. Nothing below binds the class or the Committee of Creditors.

1. The AR was requested to propose that the notice and agenda of future meetings be captioned as meetings of the Committees of Creditors of both companies, held jointly and severally in terms of paragraph 19 of the order dated 24.07.2026, while the two Committees, their attendance and their voting continue to be recorded separately.
2. The AR was requested to propose that a consolidated list of creditors, identifying the two Committees separately and indicating the creditors common to both, be circulated as an addendum to the agenda.
3. Members proposed that senior counsel be briefed to appear with Advocate Mr. Karan Gandhi, and the name of Mr. Abhijit Sinha was suggested. The AR was requested to place the proposal, and the fee, before the Committee of Creditors for approval as an insolvency resolution process cost. No engagement was made at this meeting.
4. The AR was requested to write to the Resolution Professional recording the concern that counsel for the Resolution Professional did not oppose the grant of interim relief on 24.08.2026, and asking him to state in writing, before the next hearing, the position he proposes to take on the interim application and on the appeals. Advocate Mr. Gaurav Mitra was suggested as an alternative for consideration.
5. Members were of the view that common representation for both companies should be considered, subject to the concurrence of both classes and to the AR satisfying himself that no conflict arises between them.

6. IA No. 3551 shall be duly considered and relied upon while preparing the written submissions/reply to be filed before the Hon'ble NCLAT, it being recorded that the application was disposed of as infructuous and not decided on merits, and would revive if the appeals succeed.
7. The legal team shall verify and incorporate a number-based (not merely percentage-based) analysis of the voting record, including the position of members who abstained on grounds of illegality of the process, no argument being advanced that the exclusion of any vote would reduce the approval below the statutory threshold.
8. Members shall forward consolidated written inputs/points (including any material relevant to the matters recorded at paragraph 7 above) by e-mail for consideration and incorporation into the reply/submissions.
9. The above points, including the request for a joint caption and issuance of the consolidated list of creditors, shall be raised by the AR at the 25th CoC Meeting scheduled on 26.08.2026.

10. Consultative Nature of the Meeting and Way Forward

The AR clarified that the discussion at this meeting was consultative in nature, intended to apprise members of developments before the Hon'ble NCLAT and to obtain preliminary views ahead of the 25th CoC Meeting scheduled on 26.08.2026. The AR reiterated that the persons present are financial creditors in a class and are not themselves members of the Committee of Creditors, the Committee being represented by the Authorised Representative, and that nothing recorded in these minutes constitutes a decision of the Committee of Creditors or of the class. The formal decisions of the CoC/class of home buyers would continue to be taken in accordance with the applicable provisions of the Insolvency and Bankruptcy Code, 2016 and the CIRP Regulations, at the CoC meeting itself/through the applicable voting mechanism under Regulation 25A, in which the AR will cast the vote of the class as decided by more than fifty per cent of the voting share of those who vote. It was agreed that a further post-CoC meeting would be convened, if required, after the 25th CoC Meeting, to review developments and finalise the written submissions to be filed before the Hon'ble NCLAT.

The AR also placed before the members that the allotment of the project land was cancelled by the Greater Noida Industrial Development Authority by its letter dated 30.06.2023; that the challenge of Ascot Projects Private Limited to that cancellation is pending before the Hon'ble High Court at Allahabad in Writ C No. 31926 of 2023, in which the High Court directed on 06.11.2023 that no third-party rights be created in the meanwhile; and that the Hon'ble NCLT, by the order dated 24.07.2026, disposed of IA-3709/ND/2023 holding that the fate of the land would be regulated by the outcome of that writ. The AR emphasised that the land is held by Ascot Projects Private Limited and the development rights by the Corporate Debtor, and that no resolution plan, whether of the appellants or of any fresh applicant, can deliver possession to the home buyers until the allotment is restored and the dues of the Authority are settled. Members were requested to give this question the same attention as is being given to the appeals.

11. Vote of Thanks

The AR thanked Advocate Mr. Karan Gandhi, Mr. Rahul Jindal and all members present for their active participation and valuable inputs, and the meeting concluded.
